Why mess with Success?

Aging & Disability Resource Center

The US Administration on Aging honored Wisconsin in 2010 with an **Outstanding Achievement Award** for its “pioneering work and continued innovation with Aging and Disability Resource Centers”.

Wisconsin’s ADRCs have been independently evaluated and found to:

- ✓ Be cost effective
- ✓ Provide high customer satisfaction
- ✓ Delay the need for expensive long term care

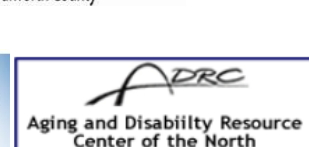

“It is easy to believe we are each waves and forget we are also the ocean.” — Jon J. Muth
